

## **Mike Grossman: In-Person & Online Presenter & Podcast Guest**

**Mike Grossman**  
CEO & Founder  
Mike Grossman Consulting, LLC

Mike Grossman holds a BS in Computer Science and an MS in Software Engineering both from Brandeis University and has 10 years of experience. His passion for working with new technologies and his ability to work with others is perfectly suited to his role leading Mike Grossman Consulting. Mike enjoys making technical information easy to understand and takes great satisfaction in helping his clients' businesses grow.

Here is a list of Mike's most popular programs:

- A Complete Guide to SEO Basics
- What You Need to Know About PPC and How It Works
- Understanding Wordpress to Get the Most from a Website
- How to Increase Your Visibility Online with Digital Marketing
- How to Make Your Website Smarter with Analytics

Some of the groups that Mike has presented to:

- Arlington Entrepreneurs
- Nashoba Valley Chamber of Commerce
- Mompreneur Superstars!

Mike Grossman Consulting, LLC, is a full-service digital marketing agency offering website design & development, Search Engine Optimization (SEO), Pay Per Click advertising (PPC), website maintenance and website support.
